

Asya Andreeva

UI/UX Engineer & Web Developer

A web designer skilled in Figma, WordPress and Webflow. Combining a background in student teaching with experience in various design tools, I'm passionate about creating engaging digital experiences that inspire and inform users. I'm dedicated to continuously learning and developing new skills to stay ahead in this ever-evolving field.

Work Experience

UI/UX Engineer and Web Developer

JT Design | Sofia | Apr 2023 - Present

In my role, I specialize in creating engaging user experiences and solving problems through UI/UX design to improve user engagement. After finalizing the designs, I use WordPress and Webflow for website development. One of the projects I worked on was developing a website for the non-governmental organization -> [NordicHub](#).

- Creating **UI/UX design** solutions with **Figma**.
- **WordPress** and **Webflow** for website development and maintenance.
- Using **CSS**, **HTML**, and **JavaScript**.

Student teacher

SoftUni Kids | Online | Sep 2023 - Present

- Collaborate with another lecturer to **teach groups** of 7 to 14-year-old children in an online environment, focusing on fundamental programming principles using Scratch.

Languages

Bulgarian	native
English	C2
Russian	A2
Italian	A1

Education

Informatics

New Bulgarian University | Sofia | Jul 2022 - Present

- Studied various math courses like Discrete Math, Algorithms, Data Structures, and Statistics, while enhancing programming skills in C++, Python, Java, and JavaScript.

Minor - Web Design

New Bulgarian University | Sofia | Sep 2023 - Present

- Focused on Colors and Photography in Design, UI/UX principles, and Art and Design Legislation.
